The book is divided into three parts.

Part 1 introduces the concept of the energy signature and explains how it can be used to understand your strengths, weaknesses, and life purpose. You will also learn how to identify your core wounds and how they are affecting your life.

Part 2 provides a step-by-step plan for healing your core wounds. This plan includes exercises and meditations that will help you to release the pain

and trauma that is holding you back.

Part 3 offers guidance on how to create a personalized plan for growth and healing. You will learn how to set goals, develop healthy habits, and create a support system that will help you to achieve your goals.

Bone Dying Into Life Compass is a powerful tool for self-discovery and healing. This book will help you to understand yourself better, heal your wounds, and create a life that is full of purpose and meaning.
