A Story That Resonates with Young Hearts

Join Z, a loveable droid, as he sets out on a quest to find a friend. Through his encounters with a variety of creatures, he learns the true meaning of friendship and the value of kindness.

With simple and easy-to-read text, Even Droids Need Friends is perfect for young readers who are just starting to develop their reading skills. The captivating story and adorable characters will keep them engaged from beginning to end.

Vibrant Illustrations That Bring the Story to Life

DK Readers Pre Level books are renowned for their stunning illustrations that bring the stories to life. Even Droids Need Friends is no exception, featuring vibrant colors and expressive characters that will stimulate your child's imagination.

Each page is filled with detailed illustrations that provide visual cues and support the text, making it easier for young readers to understand and follow the story.

Educational Value for Preschoolers and Kindergarteners

While Even Droids Need Friends is an entertaining and engaging story, it also offers educational value for preschoolers and kindergarteners.

- **Vocabulary Expansion:** The book introduces new words in a playful and engaging way, helping young readers expand their vocabulary.
- **Phonics Skills:** The simple and repetitive text provides opportunities for young readers to practice their phonics skills and learn letter sounds.
- **Social and Emotional Development:** The story teaches valuable lessons about friendship, kindness, and empathy.

A Perfect Addition to Your Child's Library

Even Droids Need Friends is a wonderful addition to any child's library. It's a book that will not only entertain and engage your little one but also help them develop their reading skills and learn important life lessons.

With its heartwarming story, vibrant illustrations, and educational value, Even Droids Need Friends is the perfect book for preschoolers and

kindergarteners who are ready to embark on their literary journey.
