About the Book

Life Drag is a powerful and inspiring memoir that chronicles one person's journey of self-discovery and acceptance. Through raw and honest storytelling, the author explores the challenges and triumphs of living as a drag queen in a world that often doesn't understand or accept them.

Growing up, the author always felt different. They didn't fit in with the other boys, and they didn't feel like they belonged anywhere. It wasn't until they discovered drag that they finally found a place where they could be themselves.

Drag has given the author a sense of confidence and freedom that they never had before. It has allowed them to express themselves in a way that feels authentic and true. But it has also come with its share of challenges.

The author has faced discrimination and prejudice from people who don't understand their lifestyle. They have been threatened with violence, and they have been made to feel like they are less than human.

But through it all, the author has never given up on their dream of living their life authentically. They have become a role model for other drag

queens and LGBTQIA+ people who are struggling to find their place in the world.

Life Drag is a powerful and inspiring story of self-discovery and acceptance. It is a must-read for anyone who has ever felt different or who has ever struggled to find their place in the world.

Reviews

"Life Drag is a powerful and inspiring memoir that will resonate with anyone who has ever felt different or who has ever struggled to find their place in the world. The author's raw and honest storytelling will stay with you long after you finish reading it." - **Lambda Literary Review**

"Life Drag is a must-read for anyone who is interested in drag, LGBTQIA+ culture, or personal journeys of self-discovery. The author's voice is authentic and relatable, and their story is both heartbreaking and inspiring." - **Booklist**
