Clare of Assisi was born into a wealthy family in the Italian town of Assisi in the year 1194. She was a beautiful and intelligent young woman, and she was expected to marry a wealthy man and live a life of luxury. However, Clare had a different calling.

At the age of 18, Clare heard the preaching of Saint Francis of Assisi, a radical new preacher who was calling people to renounce their worldly possessions and follow Jesus. Clare was inspired by Francis's message, and she decided to leave her home and family to join his Free Download.

Clare's family was furious when she told them of her decision. They tried to force her to stay home, but Clare was determined to follow her own path. She escaped from her home and went to live with Francis and his followers.

Francis welcomed Clare into his Free Download, and he gave her the name Clare. Clare quickly became one of Francis's most trusted followers. She was known for her humility, her charity, and her love for God.

In 1212, Clare founded the Free Download of Poor Ladies, a new religious Free Download for women. The Poor Ladies lived in poverty, chastity, and obedience. They dedicated their lives to serving the poor and the sick.

Clare led the Poor Ladies for 40 years. During that time, she expanded the Free Download throughout Europe. She also wrote several important religious works, including the Rule of Saint Clare.
