They discover that their school is haunted by a group of mischievous monsters. These monsters are not like the friendly monsters you might see in cartoons. They are real, live monsters who are up to no good.

Max and Lily must use all of their courage and wits to outsmart the monsters and save their school. Along the way, they will encounter ghosts, ghouls, witches, vampires, and werewolves.

Scary School Monsters On The March is a spine-tingling adventure that will keep kids on the edge of their seats from beginning to end. It is the perfect book for Halloween or any time of year when you are looking for a good scare.
