Indigo children are a new generation of children who are said to be highly intuitive, creative, and sensitive. They are often described as being "old souls" who have come to Earth to help usher in a new era of peace and understanding.

Indigo adults are those who were born before the Indigo children, but who share many of the same traits. They are often highly intuitive, creative, and spiritual. They may also be sensitive to their environment and have a strong sense of justice.

If you are an Indigo adult or the parent of an Indigo child, you may be feeling overwhelmed by your unique gifts and challenges. This guide will

help you to understand and support your Indigo nature, so that you can live a happy and fulfilling life.

Chapter 1: Understanding Indigo Adults
