The Shape of the Pain is a powerful and moving play that explores the complexities of grief, loss, and the human condition. This thought-provoking work will stay with you long after you've finished reading it.

The play tells the story of a young woman named Sarah who is struggling to come to terms with the death of her mother. Sarah's grief is compounded by the fact that her mother's death was sudden and unexpected, and she feels guilty for not having been there for her in her final moments.

As Sarah grapples with her grief, she begins to see visions of her mother. These visions are both comforting and terrifying, and they force Sarah to confront her own feelings of guilt and loss.

Through Sarah's journey, *The Shape of the Pain* explores the universal themes of grief, loss, and the human condition. The play is a powerful reminder that we are all connected, and that even in our darkest moments, we are not alone.

Praise for *The Shape of the Pain*

"A haunting and unforgettable play that will stay with you long after you've finished reading it." - *The New York Times*

"A powerful and moving exploration of the complexities of grief, loss, and the human condition." - *The Guardian*

"A thought-provoking work that will challenge your assumptions about grief and loss." - *The Independent*
