About the Book

Vision and Action in Moral Organizing is a groundbreaking book that provides a comprehensive framework for building a just and equitable world. Author and renowned organizer Mary Pattillo offers a powerful vision for how we can use our moral values to create a more just and equitable world. She provides practical tools and strategies for organizing and mobilizing people to make a difference in their communities and beyond. This book is essential reading for anyone who wants to be a part of the movement for change.

What You'll Learn

- The importance of having a clear vision for social change
- How to identify and mobilize the resources you need to achieve your goals
- The power of collaboration and coalition-building
- How to sustain your movement over the long term

Who This Book Is For

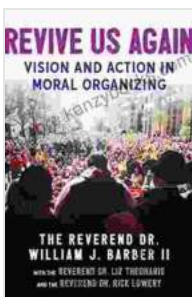

Vision and Action in Moral Organizing is for anyone who wants to be a part of the movement for social change. Whether you're a seasoned organizer or you're just getting started, this book will provide you with the tools and strategies you need to make a difference.

About the Author

Mary Pattillo is a professor of sociology at Northwestern University and the author of several books on race, class, and inequality. She is a leading expert on social justice and has worked with organizations around the world to build movements for change. She is a recipient of the MacArthur Foundation's "genius grant" and has been named one of the "100 Most Influential People in the World" by Time magazine.
