1. Part One: Common Medical Emergencies

2. **Part Two: When to Call the Doctor for Children**

3. **Part Three: When to Call the Doctor for Seniors**

Each section covers a variety of medical conditions, from the common cold to heart attacks and strokes. For each condition, the book provides:

- A brief overview of the condition
- Symptoms to look for
- When to call the doctor
- How to treat the condition at home
- When to seek professional medical attention

When To Call The Doctor also includes a number of helpful appendices, including:

- A first aid guide
- A list of common medications and their side effects
- A directory of emergency medical services

Who Should Read When To Call The Doctor?

When To Call The Doctor is a must-read for anyone who wants to be prepared for any medical emergency. This book is especially helpful for:

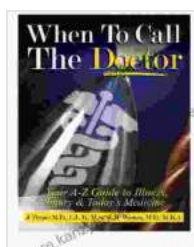

- Parents
- Caregivers
- Teachers

- First responders
- Anyone who lives with someone who has a chronic medical condition
