It's Halloween night in the small town of Willow Creek, and the clock is about to strike midnight. As the last stroke of the bell echoes through the town, a chilling scream pierces the night air. A young woman has been murdered, and the town is plunged into chaos.

Detective Sarah Jones is called to investigate the murder, and she soon realizes that this is no ordinary case. The victim was found with strange symbols carved into her body, and there are whispers of a dark secret that haunts the town.

As Sarah digs deeper into the investigation, she uncovers a sinister plot that reaches back centuries. A group of witches is said to have cursed the town, and they are now seeking revenge. Sarah must race against time to stop the witches before they unleash their evil on Halloween night.

When the Clock Strikes on Halloween is a chilling novel that will keep you on the edge of your seat from beginning to end. Perfect for fans of horror

and suspense, this book will haunt your dreams long after you finish it.
